

ESTAR FOUNDATION

# Mapping the Gospel. Empowering the Church.

We equip local leaders across Thailand with the tools, training, and insight they need to plant churches in unreached villages, share the Gospel faithfully, and disciple new believers — until every village in Thailand has heard.

Go and make disciples of all nations...

Matt. 28:19

WE MAP. WE EQUIP. WE SEND.

eStar — the Evangelical Strategic Tracking and Analysis Resource — exists to help the Church see clearly where the Gospel has yet to take root.

By combining field data with a faith-filled vision, we equip Thai believers to plant churches in unreached villages, disciple new leaders, and multiply movements of the Gospel.

We believe the Church can finish the Great Commission. One village at a time. One church at a time. Until all have heard.

## What if you donate today?

Every \$1,000 helps plant one village church in an unreached part of Thailand — led by local believers, trained and equipped to disciple their neighbors. Your gift could bring the Gospel to a place where it has never been heard, and never before reached.

Use the slider to explore how your generosity today could shape the next 5 years of Gospel advance.

## The Movement Across Thailand

Since 2017, eStar has been helping Thai churches plant new congregations in unreached villages across the country — using data, strategy, and Spirit-led obedience to guide the Church where it's needed most. Every shaded province represents lives transformed, churches planted, and ground taken for the Gospel.

## Stories From the Field

### A Multilingual Breakthrough in Northern Thailand

In the mountains of Northern Thailand, one small church is doing something extraordinary. What started as a single congregation has become a multilingual hub of worship, translation, and outreach, reflecting the region's diverse cultural landscape. This story follows Pastor Chai and his team as they navigate language barriers, disciple three distinct communities, and prove that the Gospel speaks every language.

## Where We're Headed — and How Close We Are

Phase 1

2020 - 2026

- Central Thailand
- Focus on 7 key provinces
- Goal: 10,000 churches planted
- Every province with trained outreach teams
- Full infrastructure setup

Phase 2

2026 - 2031

- Northeast & Central Expansion
- Focus on 28 additional provinces
- Goal: 50% of Thailand's villages reached
- Data validation system fully operational
- Evangelism active in every region

Phase 1

2032 - 2037

- National Saturation
- Remaining 42 provinces
- Goal: 100% of villages engaged with the Gospel
- 0 unreached provinces
- Thailand becomes a sending nation

We're pursuing the complete evangelization of Thailand — every village, every district, every province. This three-phase roadmap outlines the bold, data-informed strategy God has placed before us to reach 100% of Thailand's unreached villages by 2035.

And it's not just theory. It's already happening. With over 8,500 churches planted and thousands of local leaders mobilized, the momentum is real. You can help finish the task.

| What We're Aiming For                                  | Where We Are Today                    |
|--------------------------------------------------------|---------------------------------------|
| 100% of Thailand's villages reached by 2035            | 6% reached so far                     |
| 10,000 churches planted by end of Phase 1 (2025)       | 8,524 planted as of June 2025         |
| 400+ new villages reached monthly (Phase 2 projection) | Avg. 345/month currently              |
| National Christian presence in every province          | 13 provinces remain under 10% reached |
| 1 million+ souls reached by end of Phase 3             | 496,423 reached to date               |
